To Whom it May Concern,

**This Shipment Contains Scientific Samples For
Research Purposes Only**

This Shipment Has NO Commercial Value

This Shipment Is NON-HAZARDOUS

This Shipment Is Non-Infectious Biology Material

Amplicon Express US Fish and Wildlife Import

License Number LE065306-0 Expires 10/31/2009.

The Material is not from livestock or avian species.

The Material has not been exposed to livestock or avian disease agents.

The Material does not produce antibodies directed at livestock or anything else.

The Material is not monoclonal antibody or cell culture or ascitic fluid.

The Material is not immunogen.

The Material is for invitro use (to extract DNA from).

The Material does not come from a facility where work with any viruses is done.

The Material is not recombinant and do not contain any genes associated with livestock or poultry (or livestock or poultry diseases).

Amplicon Express will use the DNA in a scientific process which puts it in a format called a "Randomly Sheared DNA Library". We will then ship the library back to the sender.

If there is any problem, delay or question about this shipment, please call Robert Bogden 1-509-332-8080 ext. 24 (day) 1-208-882-1270 (night).

Thank you,

Robert Bogden

A handwritten signature in black ink that reads 'Robert Bogden'.

President
